### *A Brief History*

In 1961 key Alliance leaders – A.W. Tozer among them – experienced a burden of the Holy Spirit to invest in Alliance youth. In faith, they invited students from across the nation to the first Life Investment For Eternity (LIFE) conference in 1962. The purpose was to raise up leaders and help these young people discern a call to ministry as Alliance pastors or missionaries. Eighteen hundred students attended, and many answered the call. Today that burden remains, and nearly 85,000 Alliance youth have been influenced by LIFE in the past 57 years. At LIFE 2016 we witnessed 94 first-time professions of faith in Jesus; 275 students experienced a call to serve the Lord as pastors or missionaries, and another 286 indicated a desire to serve the Lord vocationally in other capacities.
